

Mission Statement

Payette Lakes Ski Club is a nonprofit organization servicing Idaho's West Central Mountains. Our mission is to provide affordable, accessible and sustainable winter recreation facilities that provide a full spectrum of programs for the community while reducing any financial barriers to participation.

Who We Are

The Little Ski Hill was established in 1937 to provide a winter recreational outlet for McCall and surrounding communities. We are approaching our 80th Anniversary and continue to play a key role in providing access to winter recreation and winter sports training for area children. Our After School Program, the cornerstone of our operation, draws children from McCall, New Meadows, Donnelly and Cascade. In the 2017 Season we picked up 150 Participants from 6 area schools, 4 days per week, and brought them to our facility for ski and snowboard instruction. Of these 150+ participants, 46 Children recived Scholarship funds totaling \$11,775 in Sponsor A Skier Funding.

How Does Your Contribution Help?

Did you know that of the 150+ participants in our program, nearly 1/3 are on scholarships?

Each year, The Little Ski Hill raises and hands out an average of \$10,000 in scholarships.

It is our goal to provide an opportunity for any child who wishes to participate.

Your contribution will directly pay for a child's participation. Without the available scholarships, many of these kids are unable to participate. Your contribution helps cover the cost of transportation,

operation, and obtaining gear for anyone who needs it. We pride our program in being able to cover all aspects of getting children involved!

Our community has grown to depend on these scholarships and it is exactly these sponsorships that allow a child or family to enjoy the magic of winter sports! Thank you for your support and desire to continue this amazing tradition!
